

Is your organisation equipped to supply nasopharyngeal and/or oropharyngeal swabs suitable for COVID-19 sample collection? Plus, is your organisation equipped to supply Hygiene Products for South Australia's Schools and Preschools?

AMGC wishes to draw your attention to two requests.

- 1. The Australian Government Department of Industry, Science, Energy and Resources has an Expression of Interest** for the supply of nasopharyngeal and/or oropharyngeal swabs suitable for COVID-19 sample collection.
